Be prepared for the Blind Wooly Bugger Contest and the Team Tying Contest (one person is the right hand and the other person is the left hand)! Team Tying: Buszek Award winner Al Beatty as the left hand is giving tying lessons to Fly Tying Group Chairman David Nelson as the right hand. You should have heard the laughs as David broke the thread!

Registration
All members of the Fly Tying Group, demonstration tiers, and spouses are invited to the BBQ. If would like to attend but have not joined yet, click here.

Tiers' and Liars' BBQ Raffles
There will be two different raffles held at the BBQ: a bucket raffle and a fly raffle:

The bucket raffle will be for a variety of different items including fly tying tools, gift certificates, framed flies, boxes of flies, and any other appropriate items that we can obtain. Each item will have a container (the "bucket") placed next to it and participants can place as many raffle tickets in the bucket as they desire. Obviously, the more tickets that you place in a bucket, the greater the chance that you will win that item. We hope to have 30-40 nice items for the bucket raffle.

Each person registering for the BBQ and paying the $25 meal fee will receive 25 bucket raffle tickets in their registration packet. Additional bucket raffle tickets will be available for purchase during the BBQ: 6 tickets for $5; 12 tickets for $10; and 25 tickets for $20.

The fly raffle represents a separate raffle (and a different color of raffle ticket will be used). Each person who brings a box of at least 6 flies for the fly raffle will be given one ticket. The boxes of flies will be collected and the tickets will be drawn one at a time. Each winner will be able to select a box of flies from those still remaining. Obviously the person whose ticket is drawn first has the greatest choice of selection while the person whose number is drawn last gets the last available fly box. This raffle is intended to be a fun way to exchange flies. Everyone who enters wins! Provide your best flies so that you don’t suffer the indignity of having your box selected last.

FlySwitch
Each fly tier who donates a box of 6 or more flies will be entered in a special drawing for the flies donated by the other tiers. Everyone who participates wins a box of flies!

For a listing of the BBQ Raffle Prizes check back later. If you have a prize to donate, please email Steve Jensen.
